THROUGH: ~~SECRET~~

1. This is a case on which we have been following up since January 1960, based on an audit report dated 14 January 1960 (see attached).

2. The attached proposal appears to be the only possibility that the Agency has of recovering some or all of this old indebtedness to the Agency.

3. Recommend approval. ✓

NOTE: Since the Liquidation Plan dated 21 March 1957 for Project ~~SECRET~~ was signed by the SSA-DD/S, I asked ~~SECRET~~ whether they wanted to act on this paper. He requested that we go ahead with this action, but send it to DD/P through them so they would be familiar with it in case future questions arose.
